Tel. 0391 67-57102

Examination Office is in Building 10, room 101.

Please register in Examination Office with the following form (Handout or you find it on our Homepage <http://www.vst.ovgu.de/vst/en/Examination+Office.html>) Post it in the red letter box in front of the office!

Office Hours

	During the Semester	During Semester Break
Tuesday	09.00 – 11.30 h	closed
Wednesday	09.00 – 11.30 h	09.00 – 11.00 h
Thursday	13.00 – 15.00 h	13.00 – 15.00 h

Out of office hours with personal appointment only please!

Information on Exams

Selective subjects can be chosen from the list on our Homepage.

Once you have registered for an exam in selective subjects and fail or do not attend, you have to repeat this subject/exam until you pass.

It is not allowed to register for any exams in selective subjects you perhaps will not take. If you have registered for an exam and you decide not to take it, it is possible to deregister until one week before the examination will take place.

Please consider the following information on exam repetition!

FAKULTÄT FÜR VERFAHRENS- UND SYSTEMTECHNIK
PRÜFUNGS- UND PRAKTIKANTENAMT

For each exam you fail (no matter if compulsory or selective) you have one chance to repeat (2nd attempt). If you fail the 2nd attempt, a 3rd attempt is only allowed for two subjects! If you fail the 2nd attempt in more than two subjects, your study course is definitively failed!

If you fail the 3rd attempt in one subject the study course is definitively failed also!

The first exams will take place in July and August 2017. The schedule is available in the glass box in front of Examination Office or on our Homepage. The Online-Registration is possible from 10th June 2017 up to two weeks before each exam. Later registration is not possible, the System is closed then! Without registration you cannot take part in examinations.

If you cannot attend a registered exam due to sickness, please submit a Doctoral Attest along with the form "Request to withdraw from examination" (see below), three days after the examination date at the latest. If you do so, you are excused for the exam. Otherwise the registered exam you do not attend will be failed.

Please use for corresponding with examination office your student E-Mail-Address and enter your student-ID. Otherwise no responding is possible.

Information about exams

The first exams are in February and March 2019. The schedule will be available in the glass box in front of our office or at our homepage:

<http://www.vst.ovgu.de/vst/en/Examination+Office.html>.

The Online-registration is possible from 2nd of January up to two weeks before each exam. Later registration is not possible, the system is closed then! Without registration you can't take part in an examination.

If you are sick on an exam date please submit a doctor's certificate and the enclosure below (next page – you will find it on our homepage as well) three days after exam at the latest in examination office.

Then you are excused for the exam. Otherwise when you are registered and you didn't take part without any excuse you have failed.

Eingangsstempel

Ärztliches Attest
zur Vorlage beim zuständigen Prüfungsausschuss zur Feststellung der Prüfungsfähigkeit

ERLÄUTERUNG:
Die Beantwortung der Rechtsfrage, ob eine gesundheitliche Beeinträchtigung den Abbruch einer Prüfung oder den Rücktritt von der Prüfung rechtfertigen kann, ist letztlich und in eigener Verantwortung von der Prüfungsbehörde (Prüfungsausschuss) zu entscheiden. Dies ist grundsätzlich nicht Aufgabe des Arztes. Vielmehr ist durch ein ärztliches Attest nachzuweisen, dass der Abbruch der Prüfungen aufgrund einer gesundheitlichen Beeinträchtigung, die die Leistungsfähigkeit des Studierenden erheblich vermindert, gerechtfertigt ist. Studierende sind auf Grund ihrer Mitwirkungspflicht grundsätzlich dazu verpflichtet, zur Feststellung der Prüfungsfähigkeit ihre Beschwerden offen zulegen und hierzu erforderlichenfalls den behandelnden Arzt von der Schweigepflicht zu entbinden. Dies bedeutet nicht, dass der Arzt die Diagnose als solche bekannt geben muss, sondern eben nur die durch die Krankheit hervorgerufenen körperlichen bzw. psychischen Beeinträchtigungen in einer Prüfung. Dies steht im Einklang mit dem Datenschutz. Nach §9 (1) DSGVO dürfen personenbezogene Daten erhoben werden, wenn Ihre Kenntnis für die Aufgabenerfüllung der erhebenden Stelle erforderlich ist.
Hinweis: Das Attest kann auch formlos erstellt werden, soweit es die folgenden Punkte enthält:

1. Angaben zur untersuchten Person:

Nachname:	
Vorname:	
Geburtsdatum:	
Straße / Hausnummer:	
PLZ und Wohnort:	

2. Erklärung des Arztes: Meine heutige Untersuchung zur Frage der Prüfungsfähigkeit bei o.g. Person hat aus ärztlicher Sicht Folgendes ergeben:
Krankheitssymptome / Art der Leistungs mindering:

Aus meiner ärztlichen Sicht liegt eine erhebliche Beeinträchtigung des Leistungsvermögens vor (Schwankungen in der Tagesform, Examensangst, Prüfungsstress u. ä. sind keine erheblichen Beeinträchtigungen).

Die Gesundheitsstörung ist (bitte ankreuzen): dauerhaft, d.h. auf nicht absehbare Zeit vorübergehend

Dauer der Krankheit

vom:	_____
bis einschließlich:	_____

Datum/Unterschrift: _____ Praxisstempel: _____

Nur für den Prüfungsausschuss:
Die Prüfungsfähigkeit wird hiermit festgestellt nicht festgestellt

Datum/Vorsitzender des Prüfungsausschusses: _____

Antrag auf Rücktritt von Prüfungen/Request to withdraw from examination

Vom Studierenden auszufüllen/to be completed by the student:

Nachname/ Last Name	
Vorname/ First Name	
Geburtsdatum/ date of birth	
Matrikelnummer/ student number	
Studiengang/ degree programme	

Ich beantrage den Rücktritt von den nachfolgend aufgeführten Prüfungen wegen Krankheit:
I hereby apply the withdrawal from the following exams because of illness:

Prüfungsnummer/ exam number	Titel der Prüfung/ subject (course title)	Prüfungstermin/ date of exam (dd/mm/yy)

Ich bestätige die Richtigkeit der gemachten Angaben.
Ein ärztliches Attest zu den oben genannten Zeiten habe ich beigelegt.
I hereby declare that all entries are correct.
I have attached a medical certificate to the above mentioned times.

Datum/date: (dd/mm/yy)	Unterschrift/Signature:

For each exam (no matter if compulsory or selective) you have one possibility to repeat. If you failed again you have the possibility to repeat a third time, but only for two subjects. If you failed the third attempt in one subject the study course is definitively failed. If you failed in more than two subjects for the second time your study course is definitively failed.

Choosing selective subjects

Selective subjects can be choosed from the list on the home page of exam office:

CEE:http://www.vst.ovgu.de/vst_media/Dokumente/Pr%C3%BCfungsamt/Studiendokumente/Chemical+and+Energy+Engineering+%28CEE%29/WPF_CEE_Master_Liste_09_18_%C3%BCberarbeitet-p-6288.pdf

PSEE:http://www.vst.ovgu.de/vst_media/Dokumente/Pr%C3%BCfungsamt/Studiendokumente/Process+Safety+and+Environmental+Engineering+%28PSEE%29/WPF+PSEE+SoSe+17.pdf

If you choose one subject you have to take it till you pass it.

It is not allowed to register for each selective subjects and don't take them.

Then you have failed the exam. Remember the advice above how often you can repeat an exam.

Please find more information about the course in examination rules and the list of selective courses :
<http://www.vst.ovgu.de/Pr%C3%BCfungsamt/Angebotende+Studieng%C3%A4nge.html>

PINNED POST

Deepak Saraff
January 31

Hello Guys
 Here we can share information or ideas about the projects/ Hiwi / Internship .so that every one can know what is happening and what are the opportunities that OVGU can provide regarding our course (PSEE). Only for the benefits of career prospects the posts & comments should be posted .Totally Related to the course. Good Luck all

International Office

Akademisches Auslandsamt

The International Office

What do we do?

- Advising international students, graduates and doctoral students at the OVGU
- Advising students about studying abroad
- Helping international students at OVGU with questions relating to their course of studies, the law as it applies to foreigners and social matters
- Information and responses to questions regarding studying in Germany
- Advising about scholarships

Who should you talk to?

Full-time students:

Mrs. Eva Böhning

eva.boehning@ovgu.de

Building 18, Room 150

Exchange students:

Mrs. Anne-Katrin Behnert

anne-katrin.behnert@ovgu.de

Building 18, Room 150

For Office Hours, see
ovgu.de/international

Intercultural Students – IKUS

Who are we?

- Student initiative, existing since 1998
- Students from different faculties and backgrounds
- Currently about 20 active members
- Cooperation with the **International Office** and supported by
 - **Student Union Magdeburg (Studentenwerk)**
 - **German Academic Exchange Service (DAAD)**
- **We like to meet new international students!**

Job's/Internships/Theses

The screenshot shows the website for the Chair of Thermal Process Engineering (TVT) at Otto von Guericke University Magdeburg. The page is in German and features a navigation menu with options like CHAIR, RESEARCH, EMPLOYEES, TEACHING, NEWS, JOBS, and CONTACT. The 'JOBS' section is highlighted, and the 'INTERNSHIP AND HIWI' sub-section is active. The main content area is titled 'Internship and HiWi' and lists several research projects with brief descriptions and a photograph of a laboratory workstation. A right-hand sidebar contains sections for 'Dates' and 'News', listing various university courses and awards.

Internship and HiWi

Spatial morphology of maltodextrin agglomerates
The spatial morphology of the maltodextrin agglomerate investigated for spherical model and real structures of primary particle

Pore Network Study of Drying of Thin Porous Media
Pore Network Study of Drying of Thin Porous Media

Pore Network Study of Drying in Presence of Imposed Temperature Gradients
Study how local and temporal temperature gradients impact on the macroscopic drying behavior.

Experimental Study of the Shrinkage of Porous Media during Drying
Experimental Study of the Shrinkage of Porous Media during Drying

A pore network model for mass transfer through the diffusion layer of an electrolyser
Development of a pore network model for the simulation of pore level liquid and gas transfer phenomena found inside the diffusion layer of an electrolyser.

Microwave drying of wet clay
Experimental evaluation of drying of wet clay on product scale; comparison of the energy consumption to conventional drying processes

FACULTY OF PROCESS AND SYSTEMS ENGINEERING

FaRa - student council

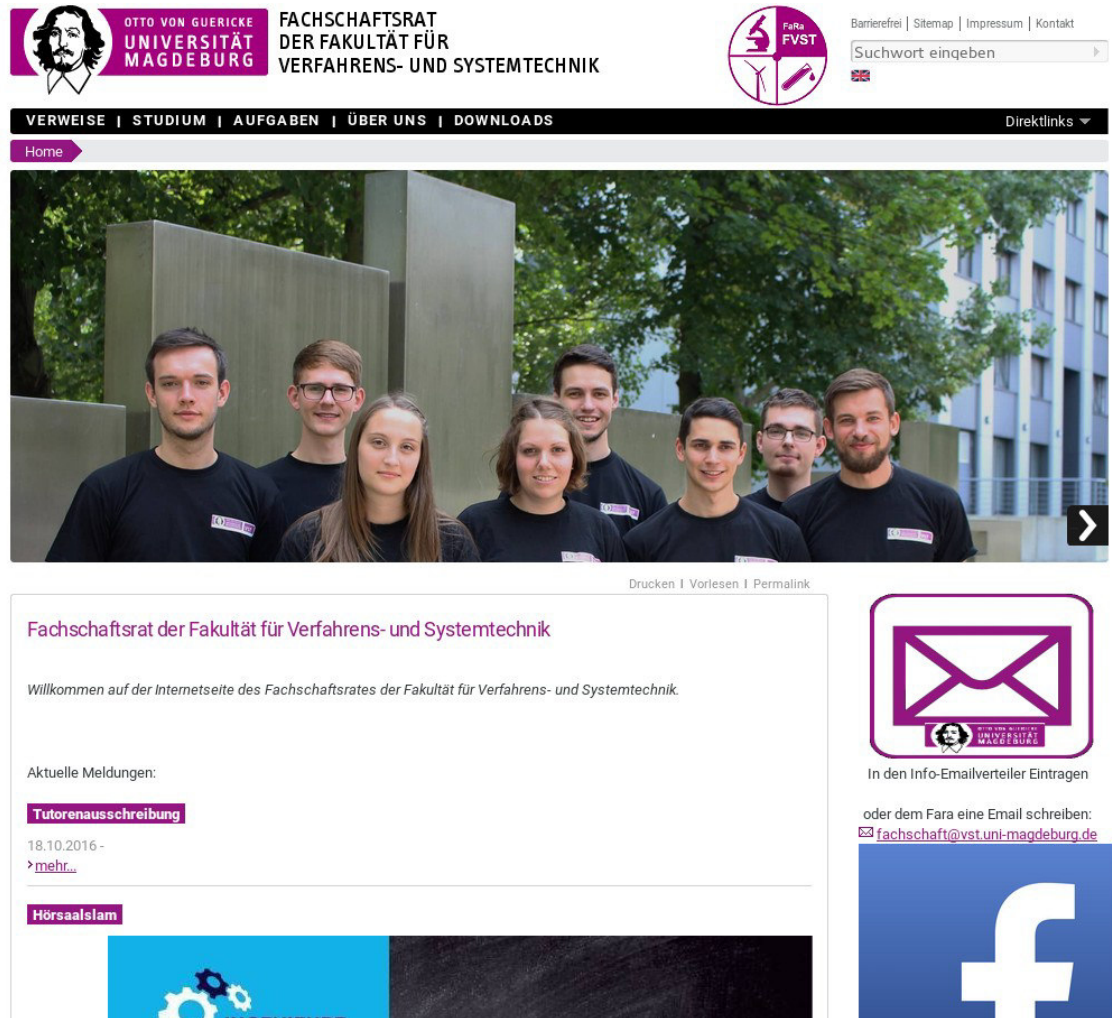

Facebook interface showing the fanpage for FVST Universität Magdeburg. The page header includes the name 'FVST Universität Magdeburg' and a search bar. The main content area features a large photo of a modern building with colorful windows. Below the photo are interaction buttons: 'Liked', 'Message', 'Save', 'More', and 'Call Now'. A status update from 'FVST Universität Magdeburg' is visible, dated 7 hours ago, with the text: 'Tomorrow is the day... our very first 'Welcome Seminar' will take place at G50-H3 from 3pm-5pm. All International FVST students are more than welcome to come. There will be some snacks and drinks. Curious? - Don't be shy! We would love to meet you!'. The page also shows a rating of 4.4 stars and a map of the location.

FaRa - student council

Facebook fanpage for FVST Universität Magdeburg. The page features a cover photo of a modern building, a profile picture with the FaRa FVST logo, and a navigation menu on the left. The main content area shows a post from FVST Universität Magdeburg about a 'Welcome Seminar for international FVST students' held on October 18, 2016. The post includes details about the seminar's location (G50-H3) and time (3pm-5pm), and mentions that there will be snacks and drinks. The page also shows a search bar, a 'Like' button, and a 'Comment' button.

Website for the Fachschaftsrat der Fakultät für Verfahrens- und Systemtechnik. The header includes the university logo and the text 'FACHSCHAFTSRAT DER FAKULTÄT FÜR VERFAHRENS- UND SYSTEMTECHNIK'. A navigation menu contains links for 'VERWEISE', 'STUDIUM', 'AUFGABEN', 'ÜBER UNS', and 'DOWNLOADS'. The main content area features a group photo of the student council members and a welcome message: 'Willkommen auf der Internetseite des Fachschaftsrates der Fakultät für Verfahrens- und Systemtechnik.' Below this, there are sections for 'Aktuelle Meldungen:' with links for 'Tutorenausschreibung' (dated 18.10.2016) and 'Hörsaalislam'. A contact form icon and the email address 'fachschaft@vst.uni-magdeburg.de' are also visible.
